

Dreamweaver Training (Part 1)

- For anyone who needs to design and create exciting and interactive websites.
- Aimed at ordinary people who need to get to grips with Dreamweaver.
- You are not expected to be a web designer.

You will learn:

- how to create exciting, dynamic and visually attractive websites
- the principles of good web design
- how to create new Web pages and maintain existing ones

Tel: 0845 050 1050
